Good Luck to Class of '49 . . .

THIS YEAR'S GRADUATING CLASS at Acalanes Union High School totals 175 students eager to step out into the highly competitive world that awaits this and thousands of other such groups of young hopefuls throughout the nation. This year's class is approximately twice the size of the high school's first graduating class, the class of 1941. (SUN Photo by Ben Randall)

Orinda Zoning Becomes Law

Supervisors Okay Ordinance, Maps Published Today

Orinda is now zoned!

On June 6, 1949, the County Board of Supervisors adopted Ordinance No. 485, thus placing Orinda under the "Precise Land Use Master Plan of the County of Contra Costa."

The Supervisors ordered the complete ordinance published in the Orinda Sun and will be found in this special edition. Since the maps are larger than the Sun's regular pages, this special size newsprint is used.

In addition to the Orinda zoning, the ordinance covers the Richmond Annex Area.

Six maps are published in all. Most interesting to Orindans are those on 4A, 5A and 6A. These are: Districts map for the North Orinda Area. District map for the Southwest Orinda Area. Districts map for the Southeast Orinda Area.

The Orinda Association, neighborhood improvement groups and individuals in Orinda contributed greatly to the successful zoning of the community.

Straw Hat Kids Are Back with Same Formula for a Night's Entertainment

By the Reviewer

The curtain went up on the third summer season of the Straw Hat Review at Town Hall last Friday night before a critical first night audience.

Seasoned reviewers from the big Bay Area newspapers were on hand to see "For Love and Money." Friends of the Straw Hat kids will be pleased to know that most of the same old gang are back, using the same ingredients of skits, gags, songs and satire to offer a darned good evening of entertainment.

There are a few refinements, such as the "pretty" opening number, "Springtime" in which all the gang looks like they are going to a tea party, and not at all like the slap bang opener we expected.

It doesn't take long to get back in the Straw Hat Groove as David Fulmer, the funniest guy in the outfit, brings down the house with his discussion of the cost of presenting the show. Fulmer's pantomine of a poker game was another high spot.

CHOP-CLIP AND ADD

"The March of Time Marches On" has the makings of a clever skit, but needs to be chopped in about half, as it definitely dragged. Remember, however, that the Straw Hatters chop, clip, add and alter their program depending on its reception, so this complaint probably will be remedied.

GOOD CHOREOGRAPHY and talented dancing were combined in a scarecrow dance number with Charles Hulse, a newcomer, I believe, doing an outstanding job.

Best number in the show presented three eager debutantes, Marilyn Stock, Jane Bennett Connell and Carol Brumm, singing about their "coming out." Incidentally Janie Connell is nothing less than terrific throughout.

A new twist is the Pinole concert orchestra, with the eminent conductor, Mrs. (Elizabeth Berryhill) Blodgett. The entire company almost tears down old Town Hall with a mass of goofy instruments — and oddly enough the music is mighty corny — but good. The orchestra replaces the Pinole choral group, which will be missed by many, while others will sigh with relief.

GOOD OLD — CORN

The entire second act is devoted to a "distinguished" new operetta — "The Ways of Love." It is an outstanding piece of work, satirizing the operettas of old, but so underplaying the gags, that one almost felt that he was seeing one of THOSE troupes at the Curran and Geary that do such a corny performance.

Songs, staging and costumes were excellent and the cast did beautifully to hold the audience an entire act with this operetta. Credit for this, as well as much of the show should go to Elizabeth Berryhill — the mainstay of the Straw Hatters.

Is "For Love and Money" as good as their other productions? Off hand, I'd say no — not quite up to the group's very best. Yet, this may be unfair, for we always glorify the past, remembering what we liked, but forgetting what we didn't.

Good, better or best — it doesn't matter, for you won't go wrong on anything this gang presents.

Board Seeks Candidates For Junior College

Candidates for superintendent of the junior college were interviewed by directors of the Contra Costa County Junior College District at county superintendent of schools office at Martinez on Saturday, George Gordon, board president has announced.

It was expected that a superintendent would be named within the next several weeks, Gordon said, but no decision had yet been reached.

Consideration of a site for the new junior college would not be undertaken until the naming of a superintendent, Gordon added, in the belief that counsel of an experienced school administrator was needed in making this decision.

Teacher Accepts Post in Japan

Miss Billie Ann Gillett, first grade teacher at Vallecito School for the past year and a half, is leaving her position at the local school to accept a government position teaching the children of occupational forces in Japan.

The popular instructor, a resident of Berkeley, will leave for her new post aboard an army transport sailing in August.

Has Your Child Lost Something On School Bus

Parents of school children are urged to recover articles their children have left on school buses by going to the bus office over Miller-Blackwood on the highway just east of Lafayette.

Company officials report their lost and found collection fills a couple of large boxes with "everything imaginable a school child could lose."

Books, lunch buckets (about 17) coats, hats, umbrellas and a number of overshoes are only a few items that have not been claimed.

A few parents come in about every day in search of lost possessions, but they would like to see all the articles returned to their owners by the time the school term is over.

Largest Number Of Eighth Graders Receive Diplomas

The largest number of eighth grade graduates in the history of Contra Costa County will receive diplomas issued by the County Board of Education this month, figures in the office of County Superintendent B. O. Wilson showed today.

A total of 1066 diplomas for eighth grade graduates in 25 schools is being prepared by the office, which handled only 545 diplomas for 33 schools in 1940. The decrease in the number of schools with eighth grade graduates is due to several factors, the chief of which is the county-wide growth of the junior high school system.

Eighth grade graduates increases were greatest as follows: Brentwood from 31 in 1940 to 62 this year; Clayton Valley, 11 in 1940 to 37; Concord, from 70 to 160; Lafayette, 21 to 80; Oakley Union, 28 to 59; Orinda Union, 12 to 50; Pinole-Hercules Union, 27 to 50; Pleasant Hill, 11 to 71; Rodeo, 36 to 76, and Walnut Creek, 47 to 116.

HEWLETT GUESTS

Mr. and Mrs. Archie Hewlett of Lower Happy Valley Road entertained with a dinner party for Mr. and Mrs. Horace Mann, of Oakland.

Barber Shoppers Plan Harmony Night June 25

"A Night of Harmony" has been promised for the evening of June 25 when Orinda Chapter, The Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, will sponsor a varied music program at Acalanes High School.

Featured on the program will be the far western district champions for 1949-50, "The Crown City Four" of Pasadena. Groups from various other localities will render their versions of barber-shop singing technique, "The Uncalled Four," "Barbary Coasters" of San Francisco, "Golden Statesmen" of San Francisco and the "Four Casters" of San Carlos, will take part, as will seven other outstanding quartets from this state.

GOOD OLD DAYS STYLE

The public is invited to hear the old-time favorites and the new ones too, as presented by these well-known and well-liked singers. The Acalanes show will begin at 8:15 p.m. The admission will be, tax included, $1.50 for adults and 75 cents for children under 15.

While local SPEBSASA'ers are planning their song fest, the Army has invaded the 11th annual international convention of the Society now being held in New York with the express purpose of getting the SPEBSQA to invade the Army.

IT'S GOOD FOR THE BOYS

Col. W. A. Bishop, chief of recreation and Capt. H. H. Copeland, chief of music, both of the Army's Special Services branch at Washington, have arrived at the convention to study barbershop harmony techniques and make it a part of the Army's morale program.

The Army is preparing record albums, sheet music and organizational information for posts in this country and overseas to promote quartet singing, with competitive songfests and music festivals in mind, according to Col. Bishop.

SPEBSQSA boasts of 605 chapters and the local group claims their program will boost your morale, whether you are "Army" or not.

Assessment Roll To Be Completed

The 1949-1950 county assessment roll, which is a basic factor in determining the amount of taxes to be paid next November, will be completed by the Assessor's office in time to be delivered to the Board of Supervisors on July 2, Contra Costa County Taxpayers' Association advised property owners today.

The Board of Supervisors sitting as a Board of Equalization will listen to all protests on assessed valuations from July 5 to not later than July 18.

BARBECUE DINNER

The "Mac" Maccario's and the Joe Navone family gathered at Orinda Park Pool for a barbecue dinner on Tuesday evening.

Fleager Attends College Cermony

Clarence E. Fleager, Orinda, president of Contra Costa County Taxpayers' Association left yesterday for Champagne, Illinois, in time to participate in the commencement exercises of the University of Illinois, June 11.

The occasion will mark the 50th anniversary of Fleager's class. From all sections of the nation surviving classmates will arrive to participate in the celebration.

Group to Form Child Therapy Center

Legal organization was completed for the rapidly growing group which also adopted the name of Mt. Diablo Therapy Center at its first public meeting held at Walnut Creek Grammar School on Wednesday, June 8.

Seventy members of the organization met to adopt the by-laws and elect a full roster of 15 directors to act as an executive board.

DIRECTOR IN CHARGE

A plan was outlined whereby each director would be in charge of one phase of the organization to coordinate as a whole.

The membership fee is $1 and it was reported by Mort Brown that interest is so great that the group already boasts 96 paid members. This is the first public meeting of the organization, the first organizational meeting being an initial planning session.

No site for the new Center has yet been chosen, but interested persons have been generous in volunteering services, including the offer of architectural plans. Directors expect to get details on building and necessary equipment within 90 days.

TO PROVIDE CENTER

The Mt. Diablo Therapy Center has been established for the express purpose of providing a center for treatment of adults and children handicapped from the effects of polio, rheumatic fever, cerebral palsy, accidents, faulty hearing and sight.

Mort Brown, who presided as temporary chairman at the initial meeting, has attended a score of civic groups and organization meetings to arouse interest in the project with an explanation of the great need. He reports that he has ten more invitations to speak before groups and expresses his willingness to appear at any meeting to tell of the conditions in this area which warrant a treatment center.

Acalanes Foresees Larger Enrollment, More Teachers and Buildings Next Year

After the twelve-week summer vacation which began after commencement last night, Acalanes Union High School will reopen with an estimated twelve per cent increase in enrollment.

At least 950 students, more than 100 more than at the beginning of the school year last fall, are expected to enroll on Monday, September 12, when school reconvenes for the 1949-1950 session, according to Neil M. Parsons, district superintendent.

NEW TEACHERS

To meet this increased demand, several new teachers will have joined the faculty, additions and replacements to the staff totaling ten teachers n all. Representing an addition to the instructional offering, one of the new staff members will devote full time to driver education. This expanded driving-safety program follows the requirements of recent state legislation and will offer actual instruction in driving an automobile.

Counseling services of the school will be both expanded and reorganized. Leland Russell, a counselor this year, will head this program as director of guidance. Besides Eva Dalander, who served in this work this year, three teachers will serve as part-time counselors: Vera Richardson of the Art department, Ruth Ellis of the English department, and a new faculty member.

NEW DUTIES

This enlarged guidance staff will relieve Stanley Walgren, vice-principal, and Lily Lahti, dean of girls, of all counseling duties so that they can turn their attention to new administrative duties assigned as of the coming year.

A further addition to the administrative division will be David Stewart, who, as well as continuing as a social-studies instructor, takes charge of adult education.

NEW COACHES

Several new interscholastic sports coaches will make their appearance. To give the physical education instructors, Erwin Mattson and Charles Eaton, some relief from their coaching load, basketball will be turned over to two others, one of whom will be Gerald Brown, math teacher, who will handle the B team. Brown will also assist in baseball. One of the new faculty members will take over from Swimming Coach Dave Stewart.

With the warm summer weather ahead, the school announced that the swimming pool will be open to the community this year. Summer schedule will be announced next week.

BIDS ON ADDITION

Looking ahead to year after next, when some 1100 students are expected, the board of trustees hopes to call next month for bids for construction of additions to the plant.

Bids will be sought as soon as the state returns architects plans which are now awaiting approval in Sacramento. Contemplated additions are a new and enlarged library, a new and larger study hall and three new classrooms. All will be eastward extensions of present classroom wings and will see the expenditure of the remainder of the building bond issue voted in 1946.

It is hoped that this construction will start this summer so that new facilities will be available by the Fall of 1950.

BOARD WILL MEET

Special board meeing of Pandora Chaper of Children's Home Society was held at the home of Mrs. Clarence Betz, president, on Wednesday.

COME ON IN! Yes, the water's fine as this warm-weather crowd at Orinda Park Pool found out recently. Pool enthusiasts lined up on a bench pose for the SUN photographer. Seated facing camera, left to right are Fred Von Guenthner, maintenance, Wayne Littlejohn, planning, George Matey, membership, Keene Pettengill, Betty Miner, secretary, Doris Clifford, entertainment, Liz Moller, public relations, Peg Winters, publicity, Miss Janet Chantler, diving. All Around Orinda

With The Rounder

WE WERE A BIT PUZZLED when the Orinda Lions Club suddenly elected their next years offcers a full two weeks ahead of the announced election date—so we decided to find out why. We learned that the terrific roar you may have heard during the past few weeks was coming from a group of Lions who felt that their tails were being twisted a bit unkindly by another group of Lions.

Seems that Carl Miller, last year's First Vice-president was handed the chairman's seat on numerous occasions during the year with the idea that he was gaining the necessary experience to move up the ladder, as is customary in such organizations, to the presidential post this election time.

CAME THEN NOMINATING TIME, and the Nominating Committee returned with the name of—not Carl Miller—but Don Hunter for president. Was this internal rivalry? No, we were told that the nominators felt that Hunter was the more diplomatic and would be better able to meet the competition being offered by a new rival organization. (Rotary Club!)

Be that as it may, that was when a lot of Lions really started to roar—and Carl Miller was nominated from the floor.

A TERRIFIC PRESIDENTIAL CAMPAIGN got under way, and another terrific roar suddenly went up when mild-spoken Al Eberlin, of the Carl Miller forces, learned that someone had moved the election date ahead from June 8th to May 25th. Ensued then about as wild a melee as could be imagined as Al Eberlin and assistant Walt Friberg really went to work. The ladies joined in—and some of the things that were said!

Dinners were bought for those who wanted to vote but couldn't afford the tarrif. It was a very sober evening. Amateur politicians and assistants came away from the meeting feeling that "right" had won—Carl Miller is the new president. And all the ruffled feelings and hastily spoken accusations are gradually being soothed and forgotten.

ORINDA'S BETTER BUSINESS BUREAU startled M. B. McNeely of the Contra Costa Patrol no little bit when they recently requested the sheriff's office to deputize him. Apparently they had forgot to ask McNeely anything about it. Even so it was a bit secondhand. Lafayette, with McNeely's knowledge, has been trying unsuccessfully to do the same thing for some time.

AND AN AMUSING SIDE-LIGHT of that Ladies Guild gathering for tea at the Long's estate was the fact that they took all the folding chairs from the Community Church with them to their tea. And Orindans, Inc., meeting at the church the preceding evening, found themselves sitting on what might be termed, their imagination. More specifically, those tiny little kindergardener's chairs.

ORINDA DRAMATEURS, now summer vacationing, have apparently lost faith in their acting ability. Organized some years ago, the group started by devoting their efforts to such things as "Sleeping Beauty" and "Chistmas Indian Suit," and graduated as time passed into a capable little theater group that recently staged the very interesting "January Thaw." Hear that under their new regime the group is now about ready to return to the simpler things of life and produce some more fantastic fantasies. Only difficulty at the moment—no place to stage them.

NOTED SEVERAL NEW SIGNS over places of business recently. Most of them belong to Paul Vashell who practically obliteraetd several garages in announcing what goes on inside. Marion Pittman has her new sign up over one of the stores across from the bank. And R. E. Wadsworth's painting spree of Memorial Day became official when the partnership of Wadsworth and Murphy was legally disolved this week.

BEN RANDALL DOES GET GOOD PICTURES for us at the Orinda Theater, but he never gets such interesting double-headers as those locally advertised by other picture houses. For example Antioch's Stamm Theater had "The Beautiful Blonde From Bashful Bend" with "No Minor Vices." In Danville they advertised "Mr. Peabody And The Mermaid"—"Trouble Makers." And the Automotive Theater screened "Undercover Man," "Isn't It Romantic."

SUGGESTED LAST WEEK was an idea we agreed to. Even though The Rounder has spent an unholy week of being accused of black-mail by one character, and heard that one innocent bystander, mistakenly identified as the Rounder, was threatened with bodily harm. Someone asked what the Rounder would really write about Orinda to a friend of his. Well:

"Orinda is oak trees and hills and valleys and relaxation, and is situated, fortunately, eight miles from Oakland and a little more than twice that from S. F. Orinda is sunshine and patios and dining outdoors. Orinda is sunbathing while the cold grey fog from Berkeley rolls over the hills and vanishes. Orinda is swimming pools, clean and beautiful, filled with kids instead of debris.

"Orinda is Don Thompson's prime ribs of beef, Jack Snows filet mignons, and Milt Nelsons raviolis. Orinda is gardens and the Village and the golf course. Orinda is millionaires and bank clerks dressed in the same priced Levis and beefing together about taxes, roads and sewer assessments.

"ORINDA, IN SHORT, IS ENDOWED by nature with all a man could ask—and endowed by man with all a man could gripe about. Fortunately, nature's contributions help ease the average guy through the problems he's created for himself. And we, personally, would hate to live anywhere else."

ORINDA LOST THE TRAGOS temporarily this week. One to L. A. and one to Hawaii. Got in exchange Leighton Noble, the music-maker, who will stay at the Trago's until their return.

WE WERE MORE THAN A LITTLE BIT startled to read in the KNAVE column in the Tribune that the SUN and the Rounder had developed a hefty peeve about the Knave's "Orinda Woes" column. Started because the SUN has commented on all the troubles stressed by the Knave—and the Rounder has been roundly bedeviled for months by local inhabitants for saying the same things that the Knave said. And as for that little crack about plagiarism Sir Knave, a perusal of the SUN and the Rounder's comments for months previous to the Knave's Orinda column might indicate a raised eyebrow question of "Who plagiarised who?"

COUPLE OF NEW GRIPES developed this week among the local citizenry. Some former members of the Park Pool are a trifle burned because they didn't get in this year. Which, of course, is probably their own fault since the dates for joining were announced in plenty of time.

And another with a beef is a local business man, whom the Rounder personally likes, but who objects to some of the publicity his place of business receives in this column. May the Rounder respectfully suggest that if certain happenings make bad publicity for a place of business, the persons responsible for allowing the events to take place should stop them. And the Rounder would have no cause then to publicize them.

AND IF THE DUNNS AND THE TWININGS have been doing an extra amount of yawning this week you can blame it on last week end. Chaperoned a group of P. F. members on a trip to Inverness. The P. F.ers were stretched out on a porch where they were supposed to sleep. Talking was much more fun and it's reliably reported that half of Inverness is going around half asleep this week from being kept awake with the mumbling voices.

Glorietta School Holds Open House Last Sunday

In celebration of completion and acceptance by the School Board, open house was held at the new and modern Glorietta School last Sunday from 1 to 4 p.m.

Parents of prospective students of the new Orinda School unit and many interested in the educational improvements that are under way came to inspect the $150,000 school plant which is considered the most up-to-date school in the Bay Area.

READY FOR FALL

Although all of the furniture has not yet been installed in the structure, Joseph Sheaff, Orinda Grammar School superintendent, reports the school will be ready for students with the opening of the Fall term.

The school has been designed so that more classrooms, a cafeteria and an auditorium can be added to the plant in the future without detracting from its attractive appearance.

LATEST DEVICES

Radiant heat which may be thermostatically controlled in each classroom, floors of asphalt tile laid over neotex and newest sound deadening materials used in construction are features of the building. The use of green "blackboards," indirect lighting controlled by a system of louvres on the south side and large windows opening onto the play area add to the picture as well as prevent eyestrain by correct lighting techniques.

Superintendent Sheaff was on hand to greet the visitors and show them through the new addition to educational progress in Orinda area.

Commuters to Meet in Orinda

In order to plan further on organization of a commuter's association, board members appointed at the initial meeting held last week will meet at the Orinda home of member George Tonkin next Tuesday evening.

Members of the eight man board selected to act in an executive capacity were: Donald Silliman, F. W. Brigham and E. C. Nevins of Walnut Creek; John Menns and E. F. Klick of Concord; Irving Roemer of Lafayette; E. M. Samon and George C. Tonkin of Orinda.

Commuters from Orinda, Lafeyette, Walnut Creek and Concord attended the first meeting held June 6, where they discussed plans for organization of a nonprofit group. The new association will form in a collective effort to secure adequate transportation at a reasonable cost for the areas they represent.

Relatively Speaking or Not 96 Degrees Is—Hot!

A 96 degree reading on local thermometers made Monday one of the hottest, if not first prize winner, for the scorcher of the year.

This area was really cool, relatively speaking, when the 99 registered in Danville and the 104 degrees registered in Wanut Creek are taken into consideration. Buchanon Fied, Concord "boasts" of a 95 degree heat wave that same day.

Orinda families had a preview of the procedure to follow with summer just around the corner. Barbecue dinners, swim suits, tall cool drinks and patio living are in order from here on until after football days.

Rotary Benefit Show Nets $469

Proceeds of $469 from the benefit show held at Orinda Theater last week will be turned over to the Community Church building fund by Orinda Rotary Club which sponsored the event, Merle Brown, president, reported at the Wednesday meeting.

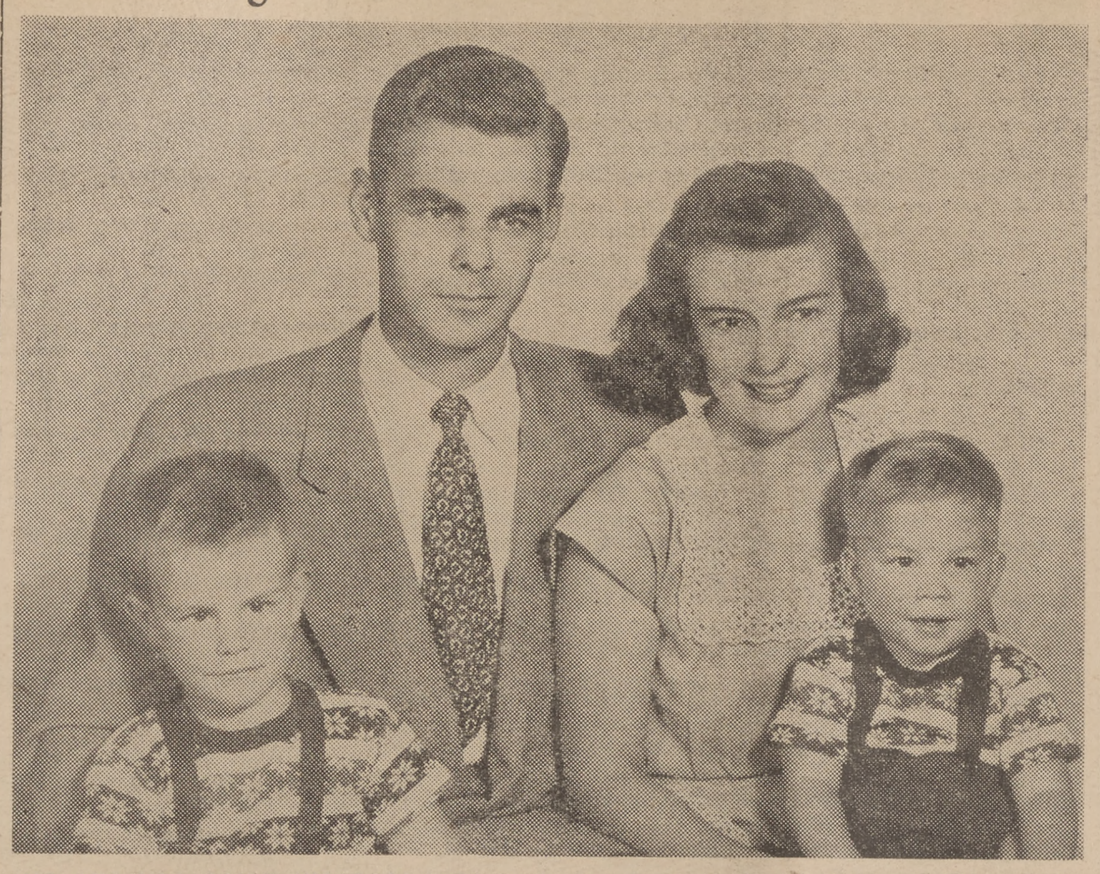
This successfully completes the new club's first community project since its charter was officially granted on April 20. With start of the new term in July, Orinda Rotary expects to take part in all functions that will benefit the community.

Keene Pettengill and Brown will represent the local group at the district assembly to be held at Hoberg's on June 26, 27 and 28 which will be attended by the incoming governor of the district. Mrs. Pettengill and Mrs. Brown will accompany their husbands.

Speaking on income tax matters, Ken Thompson, certified public accountant of Oakland, explained how reports were processed and what rights the individual has in appealing on tax evasion charges.

Visiting Rotarian A. W. Braedt of Everett, Washington, gave an interesting short talk on his home city, its principal business concerns and activities. Braedt, according to Merle Brown, holds a record of 100 per cent Rotary attendance in 24 years.

Family Portrait



MR. AND MRS. DON B. WOODCOCK with manly Don B. Jr., to the left and young Gary to the right make Family Portrait assignments a pleasure for the Sun's photograhper.

By VICTORINA WILLSON

MEET THIS WEEK'S FEATURED FAMILY — Mr. and Mrs. Don B. Woodcock of Orinda and D. B. (Jr.) a manly four year old and Gary 1½. We must not forget the new addition to the family, "Rusty," a lovable Shepherd puppy that the photographer thoughtlessly forgot to invite.

Mrs. Woodcock is treasurer of the Orinda Nursery School and President of the newly organized Gamma Phi Beta alumni chapter in Contra Costa County. Any local Gamma Phis interested in the group can phone the new President.

THE WOODCOCKS MOVED TO OUR AREA a little over two years ago from Ventura. But they are old time East Bay residents, both having graduated from University High School in Berkeley and that is where they started "going steady." After graduation they separated for a while as Mrs. Woodcock attended Cal and Mr. Woodcock went to Marin J. C. But when he went into service she deserted school to become a Mrs. and decided to join him in the service. So she became a Store Keeper in the WAVES, stationed at Treasure Island. Meanwhile, he became Captain Woodcock of the Army Aviation Engineers and served in the European theater.

WHEN DISCHARGED FROM THE SERVICE they went to Ventura to accept a position offered Mr. Woodcock. But Southern California just did not appeal to them, so they returned to the place they had always wanted to live — Orinda.

As Mrs. Woodcock remarked "It is so friendly and neighborly out here besides having such a wonderful climate." Then she told us about their potluck suppers. Eight couples meet once a month for a potluck supper with each couple contributing to the meal.

SOUNDS LIKE A WONDERFUL IDEA for a lot of fun with very little trouble or expense, and it is something that people in the city seldom think of doing.

THERE IS NEVER A DULL MOMENT at the Woodcocks. At Christmas time there was a knock on the door and a deliveryman casually announced he had a piano to deliver. Just a "little" surprise Christmas package. So with a piano and no players in the family the only thing they could see was to develop one. Since the children were too young to start lessons, Mrs. Woodcock started herself and claims it is a lot of fun to learn to play. Wonder who makes her practice her lesson every day.

MR. WOODCOCK'S CURRENT HOBBY (when he finds time from his duties as Insurance Underwriter for the Pacific Fire Insurance Rating Bureau) is gardening. With his new puppy, D. B. is very busy being a dog owner, and he feeds Rusty himself. Gary's present hobby is climbing — into all kinds of mischief.

Fifty Students to Graduate From Orinda Grammar School Tonight

Eighth grade graduation exercises of Orinda Grammar School will be held this evening. Speaker of the evening will be Dr. R. D. French who, for the last twenty-five years, has been the principal of the California School for the Blind. Dr. French will be introduced by one of the members of the graduating class.

Diplomas will be presented by John Stoffel, President of the Board of Trustees. Scholarship awards will be presented by the Lions Club. Admission is by invitation only owing to the large graduating class and limited seating capacity of the auditorium.

Dramateurs Hold Final Meeting

Popular scenes from four players were chosen by Barbara West, producer, for members of the Dramateurs' to present at their final Spring meeting held at the Community Church on Monday evening.

The play to be presented in the Fall by this group will be announced at the September meeting, according to Mrs. Clarence Betz, newly elected president.

July and August will be vacation months for the Dramateurs except for meetings of the play reading committee.

Dennis W. Koehler Receives Degree

Dennis W. Koehler of 35 Park Lane Drive, graduated from Golden Gate College of Accountancy with a degree of Bachelor of Commercial Science, last Friday. Commencement exercises for the class of 259 graduates—the largest in the history of the College—was held in the Scottish Rite Auditorium in San Francisco. J. Hugh Jackson, Dean of the Graduate School of Business at Stanford University, delivered the commencement address.

Seafarers to Hear Military Police Speaker

The Seafarers will meet June 24, 8 p.m. at the home of Mr. and Mrs. E. T. Meakin, 33 La Noria. Perry Forbes, with the Army Military Police in occupied countries following the war, will speak to the group on problems involved in policing occupied countries. Forbes also worked with Displaced Persons Bureau.

Nido Softballers Challenge Lions

Captain Bill Worden and his Orinda Lions softball team will slug it out via softball rules with El Nido's musician softballers, 10:30 a.m. Sunday at Acalanes High School.

Maestro Buddy Weber will again lay down his baton and pick up his Louisville slugger bat to lead his El Nido softball team out to battle. The Nidos have vowed "all out" baseball and have 9 wins in 11 games played to back up their threat to "put the Lions to shame."

Betz' Newly Completed Patio Scene of Barbecue

Mr. and Mrs. Clarence Betz entertained with a barbecue party last Friday to celebrate the completion of their patio and outdoor fireplace.

Guests were Mr. and Mrs. Frank Olsen, Jack Cooper, Stanley Allen, Fred Crawshaw, Don Hunter, Rudy Rasmussen, Ed Solinsky, Leighton DeMaeyer, Frank Wright Vance Reynolds, Harry Oliphant, Bill Hanley, Bill Worden, George Matey, Wendell Spackman and Capt. and Mrs. Jim Jordan.

Joint Use Of Scout Club House Discussed

A meeting was held June 14 of Boy Scout and Girl Scout committee members at the Park Pool Boy Scout House to determine rules and procedures for the joint use by the boys and girls of the Club House for next year. Several weeks ago a joint work committee met to thoroughly clean the House for the summer.

TORONTO TRIP

Mrs. Uriel B. Smith arrived home after a wonderful trip to Toronto where she stayed with some relatives.

FLYS HOME

Mrs. Charles Sweet, Jr., flew back from Cleveland, Ohio, recently with a friend, Mrs. Dorothy Herbert.

CARMEL TRIP

Mr. and Mrs. Herb Goranson recently returned from Carmel where they spent an enjoyable visit at the Rosita Apartments.

DAD Will Have His Day at Club

Orinda Country Club will climax a week of luncheons and party activities with a gala celebration on Sunday in honor of Fathers' Day.

Included in plans for club members an dguests for this day are a picnic dinner to be held in the grounds of the Club from 6 p.m. to 8 p.m. and a buffet dinner will be held in the Club House from 6 p.m. to 8:15.

Since regular Sunday buffet dinners at the Club are becoming increasingly ppular with the members, over 200 attended last week, it has been suggested by the management that reservations be made for these affairs.

Double Celebration For Bobby and Bicky Clifford

Bobby and Bicky Clifford, sons of the George H. Cliffords of Orinda Highway celebrated their fifth and eighth birthdays June 9 at the Park Pool. Their 25 guests swam and enjoyed a barbecue supper. The youngsters were Bobby Ellermire, Peter Olson, Rodney Holtwick, Gerry Holtwick, Martin Smith, Cebe Wallace, Jimmy Vince, Judy Henderson, Julie Henderson, Mary Gardiner, Joey Moore, Susan Schwatka, Carol Johnson, Judy Johnson, Tommy Miles, Dickie Miles, Lynn Ballard, Tommy Ballard, Karen Peterson, Hiedi von Guenthner, Phil Glaberman, Bunky Kahl, Peter Clough and Bobby Udall.

Troop 207 Celebrates Parents' Night

Final meeting for Orinda Scout Troop 307, celebrated as Parents' Night, was held at Scout House June 7.

A number of special prizes and awards were given to troop members during the evening. Raymond Orr, as high point scout in the past 6 months, won a 2 weeks campership at Wolfeboro, scout summer camp. David Hupp, as 2nd ranking scout on this point basis, also received a special award.

SCOUT RINGS

Committeeman Bob Nordquist presented scout rings to Eagle Patrol leader Joe Conley, assistant patrol leader John Reid and scouts Tommy Veitch, Peter Andisen and Frank Normand as winning patrol. Patrol leader and assistant patrol leader were awarded merit badge sashes.

Jerry Vurek, as senior patrol leader, was also presented a scout ring. Joe Conley received his appointment as librarian.

At the Court of Honor which preceded this part of the program, awards given out were: 1st class, David Hupp, 2nd class, John Davey and Danny Owen; Merit badge for 1st aid, Jerry Vurek. The entire troop received the W. B. Herms award which is presented to the troops which are eligible on the basis of civic and scouting activities during the year.

FIRE ARMS

A demonstration on proper handling of a rifle and positions for shooting the firearme was made by Phil Hunter, John Spiegel and Peter Andisen.

Summer camp at Wolfeboro, to be held June 25 to July 9, was announced as the final activity of the term. Troop members who plan to attend are Peter Andisen, John Spiegel, Raymond Orr, Tom Meyer, Jerry Vurek, David Hupp, Skipper Savale, Phil Hunter and Dick Doty.

Parents and scouts were served refreshments to conclude this last meeting.

Sewer Contractor Makes Cuts and Fills Them On Same Day . . . In Orinda

Work is progressing rapidly and with the least possible inconvenience to residents of local improvement district No. 10 in Orinda, according to Everett Wright, inspector from sanitary district engineer's office who was contacted at the construction headquarters in Orinda.

Wright reports that the Associated Electrical and Mechanical Company, through its local superintendent, W. Mattos, has made every effort to complete its contract quickly and well. Cuts have been filled the same day they were made and residents notified of the work as it progressed in their neighborhood. Only one complaint has been registered, according to the report, and that was due to the falling of a tree.

Laying of the sewer line is completed on El Toyonal except for the lower section of the street. Pipe has been laid on Loma Vista and on Canyon Drive with the section "jetted" or wet down to settle the earth. Final filling and surfacing will mark completion of these thoroughfares.

Pipe is laid in all but a 20 foot section of El Bolista, with work continuing.

Stolte and Company, contractors for LID No. 12, Orinda, will begin sewer installation in that section soon.

Glorietta, Orinda School Dist. Told

Joseph Sheaff, Orinda School superintendent, has announced that at the present time the plan for school opening in September is that all children living on the Moraga side of the cross roads, up to and including the sixth grade, will go to the new Glorietta School. All others will attend the present Orinda school.

It is hoped that it will not be necessary to have double sessions at either school. However, if double sessions are necessary, parents of the children involved will be notified during the summer of the bus and school hours.

Oak Springs Plans Annual Picnic

Mothers, fathers, sons and daughters are all invited to attend the Oak Springs annual picnic which is to be held Sunday afternoon, June 26, at the Oak Springs swimming pool.

There will be hot food, cold drinks, swimming and fun for everyone and valuable prizes will be awarded. Last year the picnic was voted a huge success and all the Oak Springers are looking forward to another wonderful time. Mrs. Wight Buckle is going to serve as the lifeguard for the afternoon assisted by Dick Williams. Jack Rechtiene is general chairman, Mr. and Mrs. George Granter are in charge of food and Tom Hall and Lee Mikesell are in charge of games.

There will be a special game conducted by Nathan Gray.

Church Announces Summer Schedule

"How far can you travel on Sunday?" is the subject of the sermon that Rev. Fred Morrow will give in connection with the worship service of Orinda Community Church next Sunday morning at 11 o'clock. A women's trio consisting of Mrs. Fred Blakeney, Mrs. C. B. Chantler and Mrs. Fred Morrow will sing "Lift Up Thine Eyes Unto the Mountains," from Mendelssohn's "Elijah." James Hupp is taking direction of the choir in the temporary absence of Mary Elizabeth Tomme, and Mrs. Charles P. Baker is the organist.

Summer sessions of the Sunday school start this week, and are to be held at the usual time, 9:30. The Diaconate of the Church has announced that beginning July 3 the church Service of Worship will also be held at the 9:30 hour, to take advantage of the cooler temperature and to enable parents to attend church services while their children are in classes.

Cubs to Hold Pow Wow Saturday

Five hundred Diablo District Cub Scouts, their parents and friends will gather Saturday at the annual Cub Scout picnic at Acalanes High School, between Lafayette and Walnut Creek.

The full day gathering is the last activity of the season for the eight Cub packs of the district.

The day's events include:

9:30 a.m. — Cub Scouts and parents will assemble at the high school.

9:50 a.m. — Inspection, presentation of Colors, and pack and den flags.

10:15 a.m. — The winner of the Cub softball league will play an all-star team made up of members of other league teams.

Noon — Picnic and pack meetings. Award of softball trophy to winning team.

1:15 p.m. — Obstacle races.

2:15 p.m. — Acalanes High School pool will be opened for swimming.

3:30 p.m. — Adjournment.

Cub packs and Cubmasters who will participate are: Walnut Creek, Pack 6, Glenn Gleason; Orinda, Pack 32, Al Meyer; Danville, Pack 36, D. Spencer; Lafayette, Pack 38, Art Combs; Walnut Creek, Pack 43, R. Sweetland; Pleasant Hill, Pack 45, C. Graff; Ygnacio Valley, Pack 46, H. Wire, and Lafayette Pack 78, Berle Werner.

Women Named to Head Girl Scouts

Girl Scout Troop 35, under the leadership of Mrs. Joan Erikson is already planning ahead for a busy and useful year and looking forward to Fall when its members will be sixth graders.

Mrs. A. W. Reid was elected Troop Chairman of a new mothers' committee at a meeting held at the home of Mrs. J. S. Fraser. Mrs. Reid will be aided by the following members of her committee.

Assistant Leaders, Mrs. J. L. Gompertz, Mrs. William Tidsley, Mrs. J. S. Fraser; Telephone Chairman, Mrs. Arnold Baschen; Transportation Chairman, Mrs. Edmund Richard; Orphanage Chairman, Mrs. Sidney Dean; Refreshment Chairman, Mrs. W. A. Clayton; Publicity Chairman, Mrs. Eugene Monroe.

Troop 35 is honored to have been chosen to continue next year the sending of bundles of clothing and toys to the German Orphanage which has been helped the last three years by Troop 32 under the leadership of Mrs. Clyde Bumgarner and Mrs. E. R. Dempster. The members of Troop 32 are graduating.

Troop 35 climaxed its years activities with a swimming party held last Monday afternoon at the home of Mrs. Joan Erikson.

Lions to Hold "Ladies Evening"

Mormal installation of recently elected officers of Orinda Lions Club will be incentive for the "Ladies Evening" dinner and dance to be held at Orinda Willows on Monday evening. Lions and their wives and guests will attend the ceremony.

Final plans for the program were completed at a meeting held last night, according to retiring president George Hartzell.

Discussion of the increasingly critical parking situation at Orinda Crossroads brought out many comments on the drivers who park too far from the curbs, leaving the rear of their cars extended into traffic lanes and on the thoughtlessness of shoppers who back cars out of parking spots with no regard for passing drivers.

School Officials Plan Meeting

City and county school officials and other guest speakers will figure in the program of the second all-day institute of Contra Costa school custodians June 24 at Richmond Union High School, it was announced today.

David A. Thomson of Rodeo will preside over the morning session beginning at 9 a.m., and Dr. George Miner, superintendent-elect of Richmond city schools, will welcome custodians from all school districts in the county.

Speakers will include Assistant County Superintendent Harold De Fraga on "The Importance of In-Service Training;" Otto Palombo of Richmond, president of the California School Employes' Association, on "Activities of the Organization," and Dr. W. W. Sampson, school of public health, University of California, on "General Sanitation in Public Schools."

Panels and demonstrations will operate from 10 a.m. to 3:30 p.m.—and will be repeated throughout the day—on the following topics: Heating and Ventilating, with Robert Nail of Richmond as leader; Floors, William Merryfield of Berkeley schools; Bus Drivers, Highway Patrol, Martinez; Chalk Boards; Color Dynamics; Head Custodians, Edwin C. Berry of Vallejo city schools, and Landscaping, Harold Givens, Berkeley city gardener. Chalk boards and color dynamics will be demonstrated by bay area firms.

Exhibits will display the latest in building and sanitation supplies.

What's Doing with Scout Troop 204

Eighty young people, Boy Scouts of Troop 204 and their girl guests, enjoyed the troop-sponsored dance at the Scout Cabin last Friday.

Brad Brown's orchestra supplied excellent music for the dancing and special feature dances and games added to the occasion.

Beth Maas won girl's prize in the musical chair game, Ed Neighbor winning the boy's award. Janet Harkness and Don Weidlein were winners of the dance contest and received prizes.

Scouts were in charge of decorating, planning of the program and prizes for the event. Mrs. Ralph Ong and Mrs. Lester Conklin served punch and cookies.

CLEAN-UP

Following a clean-up detail held Saturday at the cabin, Scouts were treated to a barbecue at their headquarters and then went to Walnut Creek for a swim.

MEETING

Troop met Monday evening for its regular session. Oscar Busch conducted another in his series of singing lessons.

Movies of the camporette and camporee were shown and scouts watched Scoutmaster Blakemtn give a demonstration of aluminum foil cooking.

SPORTS

Two softball games were "won" by Troop 204 on Saturday, both by forfeit. The boys are now looking forward to their summer campout at Tuolomne scheduled for July 6 to July 15.

Troop 210 Plans July Honor Court

Troop committee meeting of Boy Scout Troop 210 was held at the home of Chairman H. W. Werner June 6 and members discussed and authorized the purchase of troop equipment.

The troop has shown a good growth and the committee talked about plans for taking care of a large number of new boys when the age limit is officially lowered to eleven.

Scoutmaster, Dick Lesser, reported that the troop is now meeting in the Fellowship Hall of Our Savior's Lutheran Church. The entire group is working on 2nd Class and he is planning an overnight hike in the near future. New boys entering the troop are, Colin Izett, and Billy Garrett.

Troop 210 hopes to hold its first Court of Honor in July for advancing Scouts.

Edmund Azclar has been named assistant Scout Master of the troop. Azclar resides in Canyon and is an Eagle Scout.

MOTHER VISITS HOOPERS

Mrs. Jeff Davis, mother of Gordon Hooper, will visit at her son's home for a few weeks. Mrs. Davis lives in Yuba City.

Farewell Party For Gail Hutton

After school on Monday the bus driver let the girls of Vallecito's third grade class off at the G. P. Ballachey home in Happy Valley where a farewell party honoring Gail Hutton was held.

Gail leaves around July 1 with her parents, Mr. and Mrs. Sutherland Hutton, her sister, Austin and brother, Tommy, for Balboa where they plan to live for the next year. The Hutton residence is on Terrace Way.

Classmates enjoyed an afternoon playing games and the party was completed with a weiner roast, cake and punch.

Gail arrived home that evening laden with gifts from her classmate. Those who attended besides the honoree were: Mary Richardson, Susan Murray, Barbara Jensen, Elizabeth Davis, Lucy Christensen, Avery Larson, Carolyn Janes, Terry Perkins, Sharon Perkins, Virginia Young, Doreen Mortara, Jane Pendleton, Grace Corse, Karen Curtis, the hostess, Libby Ballachey and her brother, Mike Ballachey.

SILVERMAN BABY GIRL

Mrs. Herman Silvreman, associate editor of the SUN was called away from her desk Monday morning to "cover" a story at Alta Bates hospital. The new addition to the Silverman staff, Janet, six pounds eight ounces, arrived that evening. Janet has two brothers, Mark and Dan.

Dr. Carson to Speak at Church

Guest speaker Sunday at the Community Methodist Church will be Dr. Frank E. Carlson, Comptroler and Secretary for the Faculty of the Pacific School of Religion in Berkeley for the past 10 years. Dr. Carlson has been a leader in the Congregational Church for some years and is in demand as an inspiring preacher, throughout northern California.

The Methodist Annual Conference meets this week at the College of the Pacific at Stockton, closing Sunday afternoon, when pastors will be assigned to churches for the ensuing year. The Lafayette Church unanimously requested the return of Rev. Harry E. Shaner for another year. Bishop George A. Miller was elected Pastor Emeritus, instead of Associate, as for the past year.

The Church is issuing a Handbook containing lists of members, active, inactive and affiliated, committees with outline of duties, roll of officials and statement of the Church's policy regarding Community Service and other matters.

Reports for the Church year ending May 31, show gains in all departments, all bills paid, and numerous property improvements, including the paving of the driveway, landscaping of the plot of ground facing the street, painting of the south side of the Church, a barbecue pit on the lot back of the church and installation of connections with the sewer system.

John Burk is delegate from the local Church to the Conference at Stockton, Mrs. H. W. Deitrick, alternate. Other representatives of the local church plan to attend the Conference part of the time. Bishop D. H. Tippet will preside over the Conference and assign pastors to their respective Churches.

Cubs Complete Seasons Business

The last meeting until September of Cub Pack 38 was held in Lafayette Grammar School last Friday evening. Graduating Cub Scouts were Dennis Bailey and William Garrett who will enter Troop 210 and Edward Timoney who will enter Troop 204.

Chairman Rhodes expressed his thanks and that of the Pack to the 6 retiring Cub Committeemen, Fred Knoble, Charles Timoney, Richard Van Horn, Lloyd Shirling, Edward Hudson and Howard Shorr. Retiring Den Mothers, Winn Hudson, Ruth Schirmer, Frances Buzard and Elsie Shorr were each given presents by the Cubs of their respective Dens. All have worked hard with their Dens and will be missed by the Pack.

An interesting program which was highlighted by numerous awards to many Cubs, was completed with refreshments consisting of hot dogs, sandwiches, soft drinks and coffee.

SUMMER RESIDENTS

Mr. and Mrs. Lewis Dorn of Lake County and Palm Springs have rented the Adkins home in Sun Valley. The Adkins are in Chicago for the summer.

Scout District Plans Schedule For Next Year

Plans for the year, September 1949 to September 1950, were discussed at the meeting of Berkeley-Contra Costa Council Boy Scout executives held at Acalanes High School June 6.

The program will include a district meeting open to all scouters to be held every other month starting in September. These will alternate with a planning session by the interim committee on alternate months. The first planning meeting will be held the latter part of August.

CONFERENCE SET

A Green Bar Conference for older scouts and patrol leaders, a swimming meet at Acalanes High School and an adult get-together have been planned for September. Floyd Emery, Lafayette, will be in charge of the adult session.

Scout preparedness and scout skills will be demonstrated at a disaster program event scheduled for October. The ability of the boys to cope with disaster will be challenged and their training for action in emergency conditions will be put to full use. Field Commissioner Wright Lewis, Walnut Creek, will take charge of this program.

TRAINING COURSE

A district finance campaign and training course for all those interested in cubbing are also planned for the October calendar. November will be the month of the district meeting for adult scouters and the District Court of Honor will take place at this time.

Herb Merrick, field commissioner from Walnut Creek, will be in charge of the training program held during July and August of this summer for scoutmasters and interested troop leaders.

The District has pointed out that membership has increased about 60 per cent this year, and sponsoring institutions will be necessary to take care of the additional boys who wish to become scouts, cubs or members of a senior unit.

SPONSORSHIP NEEDED

Clubs, civic organizations and other groups for responsible adults must agree to sponsor a unit before it can be organized. District reports indicate there are now enough boys in the area who have signified their intention to become scouts to form 14 new units, each of which would need a sponsor.

Those scouting executives who attended the planning session were: Dr. Ralph Hall, Ian McLaughlin, who conducted the affair, Fred Allasia, Ralph Potter, Erne Schneider, Jo Shockey, Harry Guppy, H. H. Titcomb, Ray Van Tassel, A. T. Handley and George Houghton.

Grammar School Has Hectic Week

Excitement ran high at Lafayette Grammar School this week, with plans for graduation of 80 eighth grade students at the traditional commencement exercises on Wednesday, the farewell picnic for the graduates yesterday, issuing of report cards and general vacation plans in the offing, all adding to the tempo.

Parents and friends filled the school auditorium at graduation exercises held Wednesday evening. Songs by the class, speeches of welcome and farewell by Ned Davis and Edward Neighbor, a recitation by graduating class members and a program of musical selections were a part of the program.

ELLIS PRESENTS DIPLOMAS

After a few brief remarks, Principal W. B. Ellis presented diplomas to the class, largest in the history of the school.

Marking the last festivity as classmates of the grammar school, members were taken by school bus to Orinda Park Pool yesterday to enjoy themselves swimming and participating in games until evening when a picnic dinner was served. Following dinner, the boys and girls danced until it was time for the party to break up.

OUTING SUCCESS

Mrs. Albert Maas took charge of arrangements for this affair with her assistants, Mrs. K. S. Welch, Mrs. E. A. White, Mrs. Paul Johanson and Mrs. E. G. Linsley aided by various other class mothers, making the outing a complete success.

Report cards were issued yesterday afternoon to remaining students. Fall classes will resume on September 12.

Snedekers Move To New York

Mr. and Mrs. Al C. Snedeker were honored at a farewell reception on Saturday with Mr. and Mrs. Al G. Snedeker as hosts.

The affair was a lovely garden party and was held at the Arts and Garden Center in Walnut Creek with one hundred guests present.

Mr. and Mrs. Snedeker and their two children, Michael and Kathleen, are leaving this week for New York City, where he will be in the new offices of the Arabian American Oil Company.

Vallecito Has Round of Festivities

Vallecito School children are engaged in a busy round of activities preceding promotion and the end of the school term.

Students of the school participated in an outdoor salute to the flag last week, sang the Vallecito School song, composed by Mrs. Ann Miller, and America.

SPECIAL AWARD

Various announcements were made and a special award was made to Bobby Kesselring, Decathlon winner in inter-school track events.

Wallace Moreskine, 6th grade instructor, made the presentation of the special belt buckle, donated by Lafayette Dad's Club.

Mrs. Annette Miller's second grade class presented their musical playlet before a group of students later in the afternoon.

KINDERGARTEN PICNIC

Also included on the day's agenda was a picnic planned for the kindergarten class of Mrs. Ruth Anderson. The children were guests at the Underhill residence in Upper Happy Valley where they not only enjoyed their picnic luncheon, but took part in a treasure hunt and saw various farm animals.

Last Friday's assembly of 5th and 6th grade students marked the last meeting of the year. Paul Hanen, 6th grade, was chairman and his "business associate" was Jay Bloom.

SKIT PRESENTED

An original skit directed by Michael Ballachey was presented, with Jay and Paul presenting an original dialogue as their part of the program.

Special awards were presented at this assembly with Peggy Boevers announced as winner of third place in the 4 to 6 grade division of the recent Lafayette Chamber of Commerce essay contest.

Awards for winners of the recent American Legion poppy poster contest were made, Linda Rafael winning 1st prize for her division in the entire County and Beth Johnson winning second prize in her division in the Lafayette poster contest. Both girls are 5th grade students.

FAREWELL DANCE

A farewell party and dance was held at the school last night, honoring the sixth grade students who will be attending Lafayette Grammar School in the Fall.

Mrs. Donald Johnson and Mrs. Marcus Natlock, sixth grade room mothers, were assisted by mothers of other class members in making the affair a memorable one for the youngsters.

Don and Donna Grads End Hi School Days in Gay Whirl of Activities

Acalanes graduating students attended a senior picnic on the grounds of the Palmer School for Girls, Walnut Creek, on Wednesday, as guests of classmate Joan Palmer and her parents.

Also on the list of activities and parties was the one given on Sunday evening following Baccalaureate services at the home of Mr. and Mrs. John Inman-Kane with Virginia Findlay as hostess assisted by her aunt and her mother, Mrs. Gilbert Findlay.

FROM NEW JERSEY

Mrs. Findlay arrived from her home in New Jersey several weeks ago to attend the graduation exercises at the high school.

Maurine Rucker entertained sixty guests, members of the faculty, their wives and husbands and fellow classmates, at a post-graduation party following the graduation creemony last evening. Games, refreshments and talk of the recent school activities were enjoyed by Maurine's guests.

PAJAMA PARTY

Joan Quill of Walnut Creek entertained a group of her graduating girl classmates at a pajama party at her home Thursday night, with talking over of parties and future plans an important part of the evening.

Joyce Nelson and Nancy Macomber were co-hostesses at a swimming party and breakfast for girl friends at the Nelson home after the program at the school last night.

Many other activities have been planned by members of the class following their diploma presentation, with parties, dances and other dates promising a busy finale to their last high school days.

Lafayette Gets New Fire Truck

Delivery of the new K B International fire truck capable of pumping water at 750 gallons per minute was made to the Lafayette Fire Department on Saturday afternoon. The vehicle augments the present equipment of three large trucks and the Fire Chief's pick-up truck.

The new truck has a tank capacity of 500 gallons. A separate auxiliary motor driven booster pump is capable of pumping the water to booster lines from this tank. Included in the equipment is 1100 feet of 2½ inch hose and 400 feet or 1½ inch hose. The truck also carries a 30 feet sectional aluminum ladder.

Built to the specifications of Lafayette Fire District, the new, streamlined vehicle is fully provided with equipment for fighting both structural and grass fires, said Chief Shirley Peakes.

Glenside Protest Hearing is Set

Hearing of property owner protests on levying of sanitary district assessments in the Glenside area is scheduled June 23, 8 p.m. at Sanitary District office in Walnut Creek.

Bids will be received for construction work in L.I.D. No. 8, Walnut Creek Area, at this time and resolution of intentions to form L.I.D. No. 14, Orinda, will be adopted by the Board.

Bob Stefan Graduates U.S.C.

Colorful cap and gown ceremonies for approximately 4200 seniors of the University of Southern California marked the sixty-sixth annual commencement, held in Alumni Park of the campus on Saturday. Robert Nichols Stefan, a resident of Lafayette, received his Bachelor of Laws degree.

CHRISTIAN SCIENCE CHURCH

"The earth is the Lord's, and the fulness thereof; the world, and they that dwell therein" (Psalms 24:1). This verse is the Golden Text of the Christian Science Lesson-Sermon for Sunday, June 19. The subject of the sermon is "Is the Universe, Including Man, Evolved by Atomic Force?"

Included in the sermon are the following citations:

The Bible: "I will open my mouth in a parable: I will utter dark sayings of old: Which we have heard and known, and our fathers have told us. We will not hide them from their children, showing to the generation to come the praises of the Lord, and his works that he hath done. For he established a testimony in Jacob, and appointed a law in Israel, which he commanded our fathers, that they should make them known to their children" (Psalms 78:2-5).

"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "We tread on forces. Withdraw them, and creation must collapse. Human knowledge calls them forces of matter; but divine Science declares that they belong wholly to divine Mind, are inherent in this Mind, and so restores them to their rightful home and classification" (p. 124).

Your Garden IN LAFAYETTE AND ORINDA

BY CONSTANCE HANSEN

Almost every garden has a "problem spot" in it somewhere, a place where the plants used in similar situations just don't seem to do well. The thing to do in such a case is not to keep struggling to make conventional planting survive, but to take advantage of the special conditions present by using plant material that is adapted to them.

The problem may be due to poor drainage, as in a garden I was in lately on St. Mary's Road. The spot gets sun most of the day, but the water from the hill above it in winter and from the lawn in summer drains off so slowly that ordinary bedding plants turn pale and sickly. There are many plants, especially among the perennials that would find such a spot as if made to order for them.

THERE ARE WHITE-BARKED BIRCHES already planted here, and as they like plenty of moisture they can serve as the nucleus for a naturalistic bog garden. Toward the rear of the plot a group of our native Woodwardia fern would serve as a background for clumps of Siberian and Japanese iris. The Louisiana iris also like boggy ground, and would add variety of flower form and length to the blooming season. The large blue flowered Iris foliosa is about the last of the Louisiana iris to bloom, and is very handsome in flower arrangements.

DECIDUOUS AZALEAS would no doubt feel right at home in such a sunny damp location, and would furnish fragrant bloom early in the season, the color depending on whether the variety chosen for use was our native azalea or the flame azalea of the eastern states. Primroses and forget-me-nots would also be at home here, the forget-me-nots being especially useful for covering up the bare spots left when the iris die down in the winter. There are creeping potentillas which make a bright green mat studded with gay little buttercup yellow flowers on damp ground, and then there are our wild monkey-flowers, which will make the bog their permanent home when once introduced. The annual monkey-flower, Mimulus guttatus, has large yellow snap-dragon flowers, and perpetuates itself by seed from year to year, while the perennial M. cardinalis may have bright red, orange, or rose colored flowers. Both bloom from early summer until frost.

A selection of day lilies, or Hemerocallis, would give flowers in yellow and bronze tones from June through September, while additional late summer bloom could be had by the use of such things as Eupatorium purpureum, or Joe-pye weed, sometimes known as blue ageratum, and, if one didn't mind magenta flowers, the large growing liatris, which has plumy spikes of small flowers for a long period during the summer. This would be pretty grown with clumps of pale yellow daylilies and light lavender-blue Campanula americana with its dainty starlike flowers on two to three foot stems.

MICHAELMAS DAISIES don't mind damp ground either, and varieties could be chosen to provide a long period of bloom, and also to give variety in height. The helenium species, another kind of daisies, which are ancestors to the garden varieties grow wild where they get quite a lot of water, so they would do well in a bog garden, and would supply flowers in orange, yellow, and bronze. The various rudbeckias, or cone flowers, both annual and perennial, can take poor drainage also, and are very showy plants.

TO ME SUCH A SPOT in the garden as the one described above offers not a problem, but rather a golden opportunity to grow well plants which one would have to work hard to make survive under ordinary garden conditions. All the plants mentioned so far can be planted on the spot just as it is, but if the level of the ground were to be raised a little by the addition of rocks and sandy leafmold mixed with peat and sand, all sorts of choice things would do well there, such as the various violet species, and some of our lovely small native bulbs. One could try gentians, some of the dwarf rhododendrons, as well as some of the daintier species iris.

Wedding March Tonight for Helene

In an evening ceremony tonight Helene Bryant, daughter of Mr. and Mrs. Frank E. Bryant of Legion Court, will become the bride of Donald Bird of Berkeley.

The event will take place in the St. John's Presbyterian Church in Berkeley where the bride's grandfather, George Granville Eldredge, was a former pastor. Rev. Harry Shaner of the Lafayette Community Church will officiate at the 8 o'clock ceremony.

Serving at attendants for Helene will be Misses Mona Reeve and Jean Harris as honor maids, her cousin, Carol Jean Harms, Mary Pat Feilly, Joan Spurrier, and Annette Wiley as bridesmaids, and Jimmy Olmstead, nephew of the groom, who will be ring-bearer.

Gerald Farrell will serve as best man, with Gerald Weller, James Davis, and Richard Leffler in usher roles. The groom is the son of Mr. and Mrs. Ralph Bird of Berkeley.

Two solos will be sung preceding the ceremony by Mrs. Eileen Piggott, Through The Years, and I Love You. Immediately following the wedding there will be a reception held at the 20th Century Club in Berkeley.

Following a honeymoon to be spent at an undisclosed destination the newlyweds will reside in an apartment in Oakland.

Baby Shower For Mrs. Edward Rice

Following the plan of the members, and to the complete surprise of the guest of honor, the June 7 meeting of the Hilltop Bridge Club was a baby shower in honor of Mrs. Edward Rice of Hawthorne Drive. Setting for the delightful event was the home of Mrs. H. H. Montgomery in Lafayette Oaks, co-hostess with Mrs. Milton Adair, also of Lafayette Oaks.

Carrying out the traditional color scheme of pink, blue and white, a cake decorated with pink roses and the inscription, "Boy Or Girl?" on it was served to those present with fresh strawberry ice cream and coffee. Gifts received by Mrs. Rice were numerous and lovely, all presented to her in a beautifully decorated bassinet.

Included in the group present were Mesdames Helen Kimball, Arthur Evans, Urban Stark, M. J. Garevich, Robert Hozier, Emerson Hail, Everett La Franchi, Lloyd Holton, John Milano, Emory Lindberg, Allison Miller, Langley Brookes, Anthony Manna, W. F. McGregor, John Quarterolo, Griff Squire and Dwight Birch.

Members of the bridge club unable to be present were Mesdames Phillip Nemir, Rade Sadler, C. J. Herman and Jack Basye.

Outdoor Party For Claudia's 5th Birthday

Little guests persent to honor Claudia Stark, daughter of Mr. and Mrs. Urban Stark of Hawthorne Drive, enjoyed most of last Saturday afternoon playing on her swing and trapeze set, a gift from her parents on the occasion of her 5th birthday. Home movies, and refreshments of a beautifully decorated cake, ice cream, and grab-bags which served as favors for children were also enjoyed.

Boys and girls at the party which was in the summer motif with a color scheme in pastels, were Carol La Franchi, Susan Birch, Linda Garevich, Babs Sadler, Linda Montgomery, Patsy and Pamela Evans, David Allison, Mike Rice, Tommy Kimball, Stevie Quarterolo and Richie Adair.

Teenager Folk Dances at Church

All teen-agers of this area are invited to take part in the evening of folk dancing to be given at Lafayette Community Church tomorrow from 8 p.m. until 11 p.m.

All the favorite tunes for folk dancing will be played and instruction may be had for those trying out any steps new to them. These sessions are becoming increasingly popular with the younger set. Boys and girls in their teens are urged to take advantage of the chance to have an evening of fun dancing.

Aahmes Temple Entertains at Club

A full day of fun was enjoyed by several hundred guests on Sunday when Aahmes Temple of Oakland was host to their annual breakfast and play day at Mt. Diablo Country Club.

Fun for the day included, swimming, golf, horseback riding, sun bathing and dancing.

Several Lafayette Shriners and their wives who enjoyed the day were, Messrs and Mesdames Herbert Martin, John Fry, John Torchio, Edward Larmer and Al Mortara.

Brownie Troop Mothers Entertained at Tea

Mrs. John Quartarolo of Hawthorne Drive was hostess to an afternoon tea on Wednesday, when she entertained, with Mrs. J. F. Teuscher, Mrs. A. Ruediger and Mrs. E. J. Butsch as honored guests.

Eleven other mothers of the girls of Brownie Troop No. 26 who participated as co-hostesses were Mrs. John Herrmann, Lowell Johnson, George Luck, James Cowling, Robert Evans, George Johnston, Emerson Hail, Roland Wilbur, George Deklotz, Poul Ogden and Richard Davis.

Mrs. Teuscher and Mrs. Ruediger as leaders of Troop No. 26, and Mrs. Butsch as entertainment chairman were presented with lovely gifts in return for their fine work.

Refreshments, including a decorated cake were served.

FROM THE SIDELINES

By Coach Erwin Mattson

One of the amazing things which has been discovered in the recent weigh in for football candidates, has been the gain made by individuals. One of the largest gains was noted in the case of quarterback Jack King who has gone up to 163 pounds whereas the end of last football season found him at 135.

Tackle Orland Chiavini has gone from 156 to 172 while end Dick Laney is up from 145 to 160.

In general, players will gain through the summer although a few may shed a few pounds. Football workouts will result in a general falling off for the first couple of weeks and then a gradual pick up in poundage. Some will gain considerably due to increased appetites and a resulting greater caloric intake.

FOOTBALL MEETING

A football meeting was held last Monday at which time all squad candidates were given instructions concerning next falls campaign.

All players were instructed to learn two positions and to learn the plays which were handed out. A total of eight plays with variations were given out in mimeographed form showing the assignments for all positions.

It was emphasized that players were to report in condition for active work on August 29th the opening date of practice. Moving pictures on fundamentals will be shown as a preliminary to active work during the opening week.

ADVISE PLAYERS

Players were advised to do considerable running and take setting up exercises well in advance of the opening practice.

The squad has a number of veterans returning and positions are better known than was the case a year ago when most spots were wide open.

Another point brought out in the meeting concerned new shoes. Players contemplating acquiring new footgear were advised to get it early and break them in gradually by usage during the summer.

NEW SHOES HANDICAP

Many a player has been handicapped in early practice as a result of new shoes which caused blisters and often incapacitated a player from much needed practice.

Another new piece of training apparatus has been added in the form of a seven man charging sled. The machine is designed to give players a good workout and is especially a fine leg conditioner.

It teaches a player to hit and follow his initial charge which is all important to good play. Another important factor is the timing of the charge so as to hit all together. A competitive angle is added in that if one side of the line is slow and lacks follow up it readily shows in the movement of the sled.

TEAM SPIRIT

Needless to say each side of the line tries to outdo the other. Spirit and attitude developed in such drills has a tremendous carry over to game time.

A team that goes thru drills and practice with dash and fire on Monday, Tuesday, Wednesday and Thursday is tough to beat when Friday night comes around.

The aforementioned sled is a product of Harry Appleton of St. Mary's College. Harry first built one last fall for the college. His machine was so well made and did such a good job that others soon were after him.

The Los Angeles Rams, and the University of California at Los Angeles are among his customers. The San Francisco Forty Niners were also on the order list.

So come this fall the Acalanes Dons will be sporting equipment used by the best. Incidentally the Acalanes sled is fondly referred to as "Harry the Horse" and many guesses are being made as to the number of horsepower it will take to move it the required mileage this fall!

SOFTBALL LEAGUE

The softball league is now in full swing at the Walnut Creek park, and while Lafayette does not have an entry of its own it does have a number of players playing a prominent part in the nightly play.

Harry Dunham and Billy Rupp are regular for Tiny's Hut while Frank Buchanan holds down third base for Stans Brickhouse.

The park has been improved with new and better seating and is advertised as the "Best Little Park In the World." It is certainly a civic improvement that Walnut Creek can well be proud of.

Benefit Race at Pacheco Stadium

Firmly established as one of the major sports shows of the racing sport, the fourth annual Widows' and Orphans' benefit show of the Contra Costa Highway Patrol at Contra Costa Stadium in Pacheco, June 30, will attract nationally famous speed stars.

Fred Agabashian, Pacific coast champion for several years, and who has amassed scores of records for midget and regular auto racing, performed in the Memorial Day classic in Indianapolis this year. He was far up among the leaders when he was forced out of the 250 mile grind after completing more than 100 miles, due to an overheated motor.

Another famous track demon is Ed Normi of Petaluma who is among the top five in the state in midget racing. Last Saturday night at the Pacheco stadium James "Jimmie" Joy, was killed after a crash which threw his racing car into a spin and skid. Joy was in a hectic battle for the lead with Normi when the mishap happened after his machine ran up onto the rear wheel of Normi's car.

Patrol Captain George A. Belon announced his complete list of committees today as follows: benefit committee: A. M. Schutt, general chairman, George Sierck, John Cox, Gordon Campbell; advertising: Schutt, John Connolly, Linton Jones; ticket sales: George Sierck, Fred Norris; drum corps, band and special acts: Sergeant A. C. Hein, Captain Belon; features: Gordon Campbell, Charles Casaurang.

Time trials begin at 7 p.m. with the main races at 8 o'clock.

There will be no advance in the regular stadium prices, even though there will be parades, military band numbers, clown acts and spectacular stunts in addition to the full racing program of events.

Sierra Playgrounds

California's "back yard" is full of them

More than 120 lakes in the Sierra and Cascades are man-made. They were built by P. G. and E. as reservoirs for 56 hydroelectric plants whose generators are spun by falling water. Our reservoirs capture melting snow in the Spring, prevent damaging floods and wasteful runoff of precious water, and provide regulated release of the water for year-round stream flow. Many popular fishing streams otherwise would be dry during the summer and fall vacation season. All this, and low-cost power too!

At many places, such as beautiful Lake Almanor nestled at the base of Mount Lassen, P. G. and E. development has created resort areas enjoyed by thousands.

P. G. and E. works closely with the Fish and Game Commission . . . building fish ladders, planting trout, maintaining stream flow. We are fish conservation enthusiasts.

For the record

Hydroelectric plants do not consume water...they borrow it temporarily, then return it to the stream.

"Hydro" aids irrigation . . . holding backflood-waters in the Spring and making the water available when it's needed most in the dry crop-growing months.

Work never stops on our power-building program

Builders Exchange Holds Open House

Preparatory to its official opening on Monday morning, the new Lafayette Builders' Exchange held an open house preview at its Mt. Diablo Boulevard location east of Lafayette on Friday.

Local and Bay Area businessmen representing all phases of the building trade were among the 75 guests who inspected the new premises, met members and prospective members and were made acquainted with the services offered by the Exchange.

A number of architects from Oakland and this area have shown interest and have offered to send plans for Contra Costa County building projects to the Exchange for bids of members, according to Richard Oller, Jr., manager.

The Exchange has been set up to offer numerous building services to contractors, sub contractors and manufacturers' agents as well as to individual parties. Individuals are invited to contact the Exchange for bids or advice on contract work of many types and will be able to contact contractors through the listing plan.

Materials from various supply houses have been planned for display in the windows of the building, presenting the latest products in various branches of the building trades.

LISTEN, MISTER!

Please remember these three points:

1. Accept—or reject—people only on their individual worth.
2. Don't listen to, or spread, rumors against a race or religion.
3. Speak up wherever you are, against prejudice, and work for understanding.

Canyon Callings . . .

By PHYLLIS RICE

Mrs. Erbie Lee left last Sunday for Peoria, Illinois where she is visiting friends and relatives. She expects to be gone about three weeks.

Mrs. Mildred Pine and children, Bud and Janet, and Barbara DeTar spent Thursday visiting in Sacramento.

Clair Meacham has returned home from Mason City, Iowa, where he was called due to the illness and death of his mother.

Claude Seeds is spending some time in Denver, Colorado visiting his father and mother. His mother is gravely ill.

Nancy Lee celebrated her tenth birthday party Monday. She entertained a group of friends at her Daddy's place, Lee's Drive Inn. Among those present were Garyl Jaques, Maureen Malvey, Alberta King, Mike Edwards, Kenny Cooper, Jackie Chessum, Barbara Ann Wells, Ronnie Scholin and Verna Goss. A young man named "Tom" entertained them all by imitating Donald Duck.

The Canyon Women's Club held their regular monthly meeting Thursday, June 9th. They had installation of new officers and a party for the teachers.

Gordon Foster was hurt Wednesday afternoon after school while he and some other youngsters were playing. He accidentally had a stick poked into his eye. Thanks to the help of his mother, Mrs. Geraldine Wikander and Hayes Hunter they got him to Lafayette where it was necessary to take three stitches in the eye.

John Mac Kenzie and his friends H. R. Hogue and Guy M. Wright caught an octopus approximately 12 feet in diameter and weighing about 50 pounds, while fishing from John Gardeners boat "Sandra," 3 miles out from "Princeton by the Sea."

John snagged the octopus as it nibbled his bait. It was landed with much difficulty. The skipper said it was a very unusual feat to catch and land one that large. P.S. We are all eating octopus these days! How will you have yours?

Evelyn and Gilvie Musser, members of the Concord Flying Club at Buchanan Field flew to Auburn in the club's private plane to attend the 4th annual Breakfast flight, given by the Placer unit of the A.A.P.A.

There was plenty of Ham 'N Eggs for the approximate 400 who attended. The Mussers were met by their friends Dr. and Mrs. V. R. Willey, who were attired appropriately in 49'er costumes. Mrs. Willey wore a white handkerchief linen dress with lace insert — that had been her grandmother's wedding dress.

After luncheon at the Willey's home the foursome attended the Auburn Gold Rush Parade, which was very elaborate and headed by the Gold Rush Queen.

Rick's Drive-In

Dear Sir:

We are one of the families who hope you have reconsidered use of large highway billboards to advertise your fine eating place. We are most anxious, as are many others, that our gorgeous views are not hidden by such billboards, however sightly or unsightly.

I sincerely feel that your restaurant's own merits should be its best advertising.

Yours truly,

P.S. I always resent the big sign on Charles Hill advertising "The Willows" even though it has been there a long time.

$1000 in Dog Trophies to Be Given

With more than $1,000 in trophies to attract a large entry of registered and pure bred dogs, the fifth annual dog show will be held by the Contra Costa County Kennel Club, Inc., June 19 in Pittsburg Municipal Park.

Credits won in the show will lead toward championship points, Secretary Donna Prentiss stated. The following classes and judges will be included:

Group 1, sporting dogs, D. G. Rayne, Carmel and Jack Leitch, Seattle; group 2, hounds, Dayne and A. J. Schoendorf, Sacramento; group 3, working group, Mrs. Beatrice H. Godsel, Canoga Park; group 4, terriers, Frank W. Bilger, Jr., Lafayette, and Rayne; group 5, toys, Mrs. Godsel and Leitch; group 6, non-sporting, H. P. Schmidt, Chicago, Rayne and Mrs. Godsel.

Dr. Arnold S. Rowenwald, Oakland, will judge German shepherds; Miss Virginia Williams, San Francisco, will judge obedience trials, Novice A and Open A and Utility classes; Joseph Simpson, Richmond, will judge obedience trials Novice B and Open B, and Miss Prentiss will judge the children's handling classes.

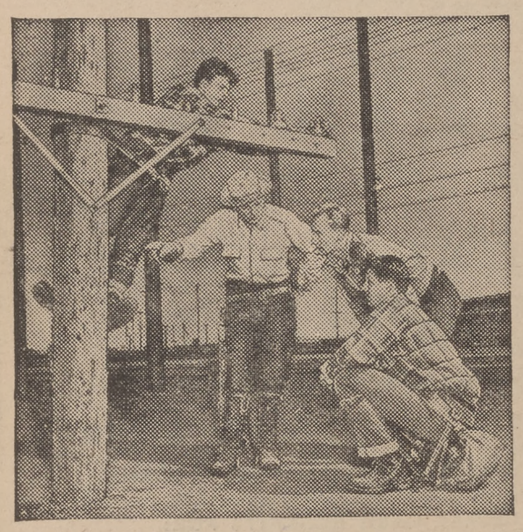
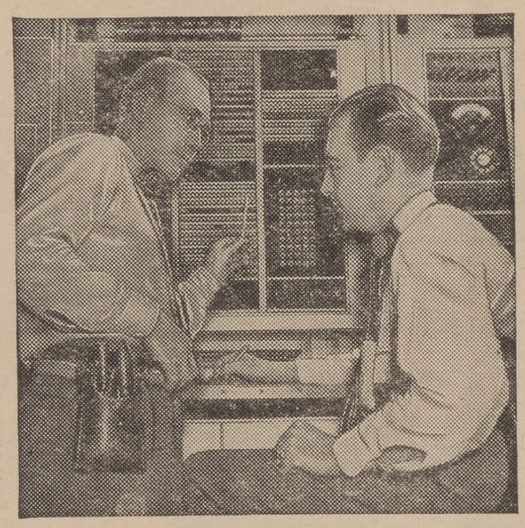
WHERE THE SPIRIT OF SERVICE BEGINS

One Coast-wide school system is for telephone people only—and better service for the West is the result

1. As this young lady learns to use a training switchboard, she'll also learn many things that will be mighty important to good service. All through her training she'll see how operators make courtesy and helpfulness a normal part of their jobs. And the same spirit is present as other telephone people learn their new skills.



2. On stubby poles like these, linemen learn to use their new climbing equipment. This is just one of the more than one hundred courses that telephone people study in towns large and small—up and down the Coast. In 1948, thousands of employees received training. That means thousands of men and women better able to furnish good service to you.



3. On-the-job-training here in the West is typified by this "student" who is learning the workings of a trouble indicator frame—an automatic detective that constantly makes sure the lines on its "beat" are giving good service. Even experienced employees take refresher courses like this to keep up-to-date . . . and keep learning their way up the ladder.

4. Good service for you comes from telephone people who know their jobs. You can help them serve you best by making sure you always have the right number in mind before calling, leaving a little time between calls, giving the called person time to answer.

The Pacific Telephone and Telegraph Company

Your telephone is one of today's biggest bargains

It's done to a turn . . .

. . . at the twist of a wrist

Some like their meat rare, others like it well done. And on a modern Gas range, it's so easy to satisfy even the most exacting taste. With its *automatic* oven-heat control, uniformly even temperatures are maintained for correct roasting or baking. So, to get the most from a luscious, tender roast or prepared meat dish, cook it "to a turn" with Gas . . . in a modern *automatic* Gas range.

See the latest *automatic* Gas range models today. Visit your Gas appliance dealer—or Coast Counties Gas and Electric Company office.

HINT

For best results, medium done beef roasts should be cooked 24 to 28 minutes per lb.. at 325°

Hundreds Attend Guild Luncheon At Long Estate

Several hundred Orinda ladies stepped into the beautiful gardens of the Joseph Long estate in Sleepy Hollow last week to enjoy the annual June luncheon staged by the combined afternoon and evening sections of the Orinda Community Church Women's Guild.

On every table throughout the spacious grounds, a small bouquet of flowers was carefully arranged to add to the beauty of the surroundings. The Guild appreciated the efforts of Mrs. M. W. Loveland and Mrs. W. D. Coleman who did the decorating and the beautiful music played on the Hammond organ by Mrs. Charles Baker.

MERCHANTS HELP

The thanks of the Women's Guild is extended to the following merchants who cooperated in making the luncheon a success: Black's Market, Reynolds Electric, Orinda Electric and Neldam's Danish Bakery of Oakland.

Mrs. Ida Zamloch of the afternoon section and Mrs. Arthur Bowman of the evening section were chairmen of the affair. Those who assisted them from the afternoon group were Mesdames R. B. Muse, Andrew Catherall, J. J. McMillan, Ben Randall, W. H. Mordy, H. J. Frolich, A. W. Elkinton, D. P. Krotz, Loren Bush, C. Pimentel, T. E. Haley, Victor Westerfield.

WORKERS

Evening section members who helped at the luncheon were Mesdames Russell Usinger, Gwen Jones, W. H. Hoecker, M. Loveland, Dave Coleman, Henry Harris, Fred Theile, Stanley Hunn, R. L. Bible rand J. H. Schwarack.

General ticket chairman this year was Mrs. Frank Hight who was ably assisted by the Mesrames Sidney Dean, Paul Booth, T. E. Haley, J. H. Frolich, John Ogden, Charles Blue, Ralph Phelps and W. H. Mordy.

Fellowship Group On Weekend Trip

Sixteen youngsters and four adults of the Orinda Pilgrim Fellowship enjoyed sunny skies and salt water breakers at Inverness in Marin County where Mr. and Mrs. Fred Twining assisted by Mr .and Mrs. Frank Dunn were hosts at their summer cottage to the group.

Luncheon and a spaghetti dinner satisfied appetites whetted by the ferry boat ride and a softball game.

A fun sing with Robert Wickman and his banjo and Jim Hall with his own unique gadget of accompaniment was enjoyed before the fireplace. Roger Dunn, president of the group, led the songs from Negro spirituals to American cowboy tunes. Popcorn and cokes were served.

Out-of-doors sleeping was enhanced by the usual leaves, frogs, and rocks in sleeping bags and (in season) firecrackers.

Those that went along on the trip were Roger Dunn, Robert Wickman, Jim Hall, Carl Drews, Jim Jacobus, Shirley MacAninch, Daryl Broderick, Diane Owen, Joyce Amdisen, Ann Summers, Joanne Willits, Leatrice Fisher, Toni West, Carolyn Ward, Julia Dunn, Mr. and Mrs. Frank Dunn and Mr. and Mrs. Fred Twining.

The summer schedule for Pilgrim Fellowship will be one meeting per month to be held in private homes. These meetings will consist of barbecues and special social events. The next meeting will be held in July although no definite date has been set as yet.

Bilger Dog Adds New Laurels

Ch. Twin Ponds Carousel, owned by Mr. and Mrs. F. W. Bilger, Jr., of the Reglib Kennels, has just obtained her fifth Best in Show all breeds since coming to California just one year ago.

She has been shown consistently since she was purchased by the Bilgers on a trip to New York. She has two Best in Shows in New York and 21 Best of Breeds, and 12 terrier groups and was Best in show at Pittsburg last year, as well as Vallejo, Santa Cruz both last year and this year and Salt Lake City.

Bilger is a terrier judge and is doing the terriers at the Pittsburg show Sunday.

Four Graduate At Glen Taylor

A class of four at Glen Taylor School, William Auglin, Barbara Graham, Nancy Ure and Walter Patron, praduated yesterday from the Glen Taylor School. John Horns was the speaker.

A field day June 11 at Glen Taylor was followed by picnic for all parents. The last social affair for the school year at Glen Taylor School was a dancing party Wednesday at which time graduating eighth graders were honored guests.

Bible School to Start Monday

Under the general leadership of Rev. Fred Morrow, the Orinda Community Church is to hold a daily vacation Bible school beginning Monday morning, June 20, and continuing each week-day morning for two weeks. The hour for the school has been set at 9, with closing at 12 noon.

Kindergarten children will be under the supervision .of Mrs George Mulligan and several assistants. Mrs. J. J. McMillan and her helpers will conduct the Primary department. Grades 4-8 will be together under Rev. Morrow, who will be assisted by other leaders.

Main features of Vacation schools is the recreational atmosphere, with activities including stories, games, songs, handwork, visual aids, adventure records and a maximum of participation by the boys and girls.

Enrollment is to be according to the last school grade and the youngest children accepted are those who have completed one year in the kindergarten. Eighth grade graduates will be junior assistants. There is no cost attached to the school, but an offering will be taken at the closing program on July 1st.

Vacation Comes To Acalanes High

Summer vacation for students of Acalanes High School began at noon yesterday, with students contemplating their plans for three months of leisure before opening of the Fall term.

Senior students completed their high school days at noon Wednesday. Report cards were issued and the morning was spent in practice for the commencement exercises which were held last night.

Students who were not members of the graduating class also received their grade cards yesterday before classes were ended.

Today, the official closing date of the school, will find only faculty members at the school clearing up final matters before starting on their well-earned vacation period.

"If One Sign Goes, All Should Go,' Says Advertising Head

"If one sign goes out, all signs should go out," is the opinion of the head of the Burkhart Outdoor Advertising Company, when asked for a statement regarding the future policy of his firm in erecting billboards in this area.

"I knew of no objections to putting up the signs advertising Rick's Drive In," Burkhart said. "Ninety-nine per cent of my business is with local advertisers and naturally we want to go along with the wishes of the local folks."

OPEN TO ONE THEN ALL

However, Burkhart wanted it made clear that if an area is "open for business" to any advertising firm it should be open to all firms and burkharts are in the advertising business."

"If the people in an area want it zoned for no billboard advertising, then let them zone it that way and we'll remove all of our signs," Burkhart said. "I certainly want to work with local people but I don't want to be shoved around by my competitors."

RICK'S SIGNS

The signs which aroused the latest protests from Lafayette residents are those advertising Rick's Drive In on the highway east of Lafayette.

Although there is no law prohibiting highway billboards in this county, Thomas Heaton, county planning technician, said that the big sign companies have "bowed to the will of public opinion" and have not put up any signs in the Lafayette area for the past few years.

PRECEDENCE QUESTION

When the past few years precedence established in the area was pointed out to Burkhart, he reiterated his stand that "If one firm is asked to remove their signs, all advertising firms should be asked to remove their signs."

Burkhart said that he would like to be advised of any meetings involving "billboard issues" in the area and would welcome the opportunity to "talk things over" with parties involved.

Meanwhile, the signs remain, several years precedence is broken, and more huge billboards are a probability in an area "open for business," the outdoor, billboard business.

Howson-Bent Nuptials Told

Miss Lorene Linden Howson of Orinda became the bride of William Camp Bent of Piedmont at a wedding ceremony performed at Corpus Christi Church in Piedmont, last evening.

Mrs. Philip Dunn of Arizona attended her sister as matron of honor and Miss Betty Heaslett of Claremont was honor maid for the bride. Three bridesmaids attended the bride, Mrs. Frank Packwood of Piedmont, sister of the bene-dict-elect, Miss Jerry Hawkins and Mrs. Ronald Johnston of Berkeley.

James Bent stood with his brother as best man and ushers in attendance were Dr. Frank Jackwood, Ray De Jong, Ronald Johnston and Captain George Owen Howson of United Air Lines.

A reception for friends and relatives of the newly married couple was held at the home of the bride's aunt, Mrs. Clarence Loren Johnston, following the ceremony.
